## 9 HIGHWAY MATTERS

There were no further highway matters to report for the meeting.

## 10 PLANNING MATTERS

The Chair reported that she went to a meeting on the second phase of the Development/Local Plan for the borough. It was reported that no development will be taking place in Barthomley and the area also does not meet the criteria as an in-fill village. In addition, Alsager will have 2,000 houses and 40 hectares of employment land under the Local Plan. There is no need to do a neighbourhood plan at this stage, but the village may want to produce a questionnaire for residents to see what people are hoping to see delivered. This could be included in the Parish News. The Chair said that she would bring a draft to the next meeting.

## 11 COMMUNICATIONS/SHARED INFORMATION/REPORTS OF MEMBERS

- Cllr Clark – the police report item is no longer on the agenda, as PCSOs can no longer attend individual parish council meetings. Instead, it is expected that Parish Council chairs will attend police cluster meetings. The main issue for Barthomley is suspicious vehicle activities and this is being dealt with by the police Exploitation Team (due to the potential for people trafficking). In terms of police surgeries, very few people attend them so they may

need to be publicised in a better way. The Chair will contact the local PCSO about this. Cllr Peacock reported that the main issue locally is fly tipping. The Police and Crime Commissioner asked Parish Councils to be aware of vulnerability in rural areas, including looking out for people living alone. Also, need to be aware of IT crime and police looking for volunteers who are IT-savvy. The police are encouraging the creation of neighbourhood watch if a community needs it, and those wishing to become a special constable should contact the police.

- Cllr Clark – there is a Speed Indication Device in the village but need to be able to access the data. The Parish Council agreed that the Clerk contact John Densem of Weston Parish Council
- Cllr Peacock – reported that Cllr Gresty has mentioned a blocked grid to the rear of her house (this will be reported to CEC)
- Cllr Peacock – reported that there was a lot of ragwort on the junction 16 roundabout
- Cllr Peacock – reported that there are stones around Willow Cottage on Deans Lane – asked for a letter from the Parish Council asking them to be moved
- Cllr Wilde – confirmed that all election expenses forms had been sent off
